Air travel picks up

Mysuru, Oct. 8 (RK&BCT)- Air travel bookings from Mysuru have gathered pace in the festive season offering hopes of a full revival for the sector battered by the COVID pandemic. Near-full occupancy trend started last month and now all the flights from Mysuru are taking off and landing with at least 60 to 65 passengers in a 72-seater ATR plane.

Airlines, however, remain cautious of a potential third wave, mindful of the severe dent to business during May and June this year when the second wave erased gains made in the months before.

Mysore Airport Director R. Manjunath told *Star of Mysore* this morning that flight services opened on a positive note and now the occupancy rates have belied negativity and pessimism and hopes have literally soared. The Airport at present handles flights to Bengaluru, Kochi, Chennai, Goa, Belagavi and Hyderabad.

"Dasara is here and as of now, most air travel falls under the VFR (visiting friends and relatives) segment. However, we are hopeful that leisure and business travel will pick up," he said. **From next week, a new flight will be introduced to Belagavi and TruJet has evinced keen interest as the airline is already operating a flight service to Belagavi.**

Likewise, Indigo Airlines has expressed interest to operate a flight to Goa as the sector is seeing traction and after the festive season, it is the year-end and Goa is the destination to be. "We are in talks with several flight operators to include Shirdi and Tirupati on the Mysuru religious tourism map," he said.

Swamy, renowned mridanga artiste and B. M. Ramachandra, Founder of Sri Rajeshwari Vasthra Alankaara and Senior Theatre artiste, Mysuru. For details, contact Mob: 98866-54887.

EDITOR'S BOTTOMLINE

Do you believe that you are entitled to all the information about your loved one? Or, do you think whatever they tell you must be true, but they are OK to keep some things private? Many conflicts between people in loving relationships occur over how much information is shared and in what way it is done. Should we honour transparency as a value, or should we honour privacy? Can we allow for our partners to be just as honest as they want to be without demanding complete transparency, or is privacy subject to certain restrictions and for people in relationships, and can privacy be trumped by other factors?

We might want to reserve sharing till we really feel committed to each other, and maybe even never want to disclose at all, and we want our privacy to be respected. If a prospective partner cannot honour that, and insists on full disclosure, maybe one needs to ask if this relationship is even safe. Honesty and transparency are very different aspects. We can be honest without necessarily being transparent, and often, being able to hold the boundaries between them is what makes for a successful relationship.

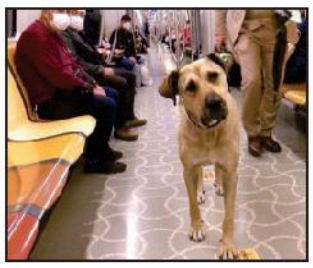
NEWS SPARKLERS

Most popular public transport commuter



Istanbul: Boji, a stray dog from Istanbul in Turkey has become so familiar with the local public transportation system that he casually uses several means of transportation (bus, subway, train and even the ferry) every day.

Boji is comfortable using several types of public transportation every day, including the ferry, to get around the ancient Turkish city and even travel between continents.

It's unclear when Boji, a crossbreed of Sivas Kangal and shepherd dog, figured out that using public transportation was much more convenient than walking for hours, but he has been doing it for long enough that people noticed. Photos and videos of him riding the bus, the metro, trains, and even the ferry have been going viral on social media for months now, turning the canine into a social media sensation.

16-year-old girl who looks like a grandmother

Manila: Raizel Calago is a 16-years-old girl, who looks like a grandmother. She suffers from a rare condition called progeria which makes her look four times her age.

In only two years, Raizel Calago went from a beautiful young girl who attended beauty pageants, to an old-looking woman that many people mistake for a grandmother.

The young Filipina says that she started noticing wrinkles in her skin just days after rashes erupted all over her body. Red, itchy patches that were painful to the touch appeared on her body and when she went for a checkup, she was told that they had been caused by an insect.

She was given medication, but that didn't help and soon she started noticing physical changes to her appearance. Now, it's hard to believe she is just 16-years-old.

Month-long drama training camp from Oct. 10

Mysuru, Oct. 8 - A month-long drama acting training camp will be held at Mysuru Film Institute in Ramakrishnanagar, from Oct.10 to Nov.10 between 6 pm and 8.30 pm daily.

At the end of training, Film Actor and Director Sathish Ponnachi will direct a drama titled *'Hinthirugi Nodi'* which depicts the problems of farmers and value of food.

"Nakshatra Drama Festival" will be held in November first week at Kalamandira premises.

The previous workshop received an overwhelming response with over 18 members taking part enthusiastically each day learning the basics of film making. The Institute plans to organise similar workshops in near future too with separate batches for children and housewives.

For details call Mob: +91 96864 34095 or 80504 90095.

REALLY...?

- ***Mother Teresa was born in North Macedonia on 26th August 1910. Her parents were called Nikolle and Dranafile Bojaxhiu. Mother Teresa's real name was Agnes Gonxha Bojaxhiu. She chose the name Mother Teresa after she spent time in Ireland at the Institute of the Blessed Virgin Mary.***
- ***Mother Teresa first donned her famous saree in 1948; it's now the uniform for nuns in her order, the Missionaries of Charity. Born in Macedonia in 1910, Mother Teresa — also known as Saint Teresa of Calcutta — was a Roman Catholic nun and missionary. She devoted her life to helping the poor in the city of Calcutta, although her methods were considered controversial by some.***
- ***The saree dates back to at least 3000 BCE. Saree wearers often choose the colour of their garment based on the occasion. Red is often worn by brides to symbolise fertility and prosperity.***

VOICE OF THE READER

Open Space Tax: Are we going to be taxed for growing trees?

Sir,

This is with regard to the report titled ***"Open space tax riles residents"*** in *SOM* dated Sept. 7.

My husband and I grew up in Bengaluru, a garden city then, now a concrete jungle. We wished to settle down in Mysuru primarily for its greenery.

When we built our house seven years ago, we consciously left half the site for a garden, where we have now many plants and trees bearing fruits and flowers.

On one hand, the Government comes up with slogans of environment protection, initiatives for planting trees etc. On the other, they very irrationally seem to discourage these very ideas. People who have built bungalows, without leaving even an inch of soil around, may sleep peacefully while the few who have concern for the environment, have to worry about the strain on their pockets due to this new demand from MCC, or grieve bartering their precious garden to save the tax.

Are we going to be taxed for growing trees, for having greenery, for promoting eco-friendly living? Hope, the MCC authorities and the Minister concerned will look into this.

MUDA orders probe into document forgery

Mysuru, Oct. 8 (SBD&DM)- In yet another busting of an alleged racket that is involved in creation of forged documents, the MUDA has unravelled a fraud entailing forging documents to create additional sites and distributing it to the public.

Addressing a press meet at his Office on Tuesday, MUDA Chairman H.V. Rajeev said that a private developer had tampered with the original plan sanctioned by the Authority and created additional sites on the land that was meant for open space and a park.

Pointing out that the developer had formed six sites on the space reserved for park at a private layout formed in Ayyajayyanahundi Survey No. 1/1 coming under Kasaba Hobli of Mysuru taluk and had sold four of them, Rajeev said that the current value of the land is estimated at about Rs. 6 to Rs.7 crore. Noting that MUDA had issued a work order for formation of the layout in 4 acre and 39 guntas of land in Ayyajayyanahundi Survey No. 1/1 in 2008, Rajeev said that after the formation of the layout, about 70 percent of the sites were released in stages for allotment.

The layout had a total of 62 sites and according to the original plan, space for a CA (Civic Amenities) site and a park was reserved, he noted.

But the developer illegally formed six sites on the space meant for park and submitted an application to MUDA in Feb. 2020 seeking release of the sites for allotment. Subsequently in Mar. 2020, khatas were also got for the said sites by tampering documents and four of the six sites have been sold, he said adding that the tampering of documents has been done in a manner making it difficult to ascertain the forgery. He contended that the probe will help find out if there were any MUDA officials or staff involved in the racket as the khata for the properties have also been created.

Stating that MUDA officials subsequently visited the layout and have installed a board mentioning that the land reserved for park belonged to MUDA, the MUDA Chairman said that both the land owner and the developer have been served notices regarding cancellation of khata, giving them one-week time for coming up with a reply.

With such forgeries and tampering of records coming to light, Rajeev appealed the public to check the authenticity of all the documents and records related to the sites and layouts with the MUDA and also to double-check if MUDA approved plans match that of those shown by the developers. He further said that Sub-Registrar Offices have been notified not to register any site from the said layout till there was clarity on the extent of the fraud.

He also announced that MUDA will conduct random checks of various plans approved by it, to ascertain if the latest racket unearthed, was just the tip of the iceberg.

MUDA Chairman H.V. Rajeev addressing a press meet at his Office on Oct. 5 as (from left) MUDA Members Lakshmidevi, K. Madesh, Linganna and Town Planner Member Jayasimha look on.

Good response for Demand Survey

Referring to the MUDA's Group Housing Scheme, Rajeev said that the scheme has received good response with as many as 24,348 people evincing interest in the ongoing demand survey.

Pointing out that while 5,274 people responded online, 19,074 people responded offline, he said that the Group Housing Scheme will be similar to the apartments constructed by the BDA in Bengaluru. The MUDA has proposed to construct 1,960 flats at three places in Mysuru at a total cost of Rs. 452.60 crore, he added.

On allotment of CA sites, Rajeev said that till now 380 associations and organisations have applied for the sites. The deadline for applying is Oct. 22 and the MUDA will extend this deadline if need, he pointed out. MUDA Secretary Venkatraj, Members Lakshmidevi, K. Madesh, Linganna and Town Planner Member Jayasimha were present at the press meet.

Writer bemoans non-consideration of Pharmacists for Awards

Mysuru, Oct. 8 (SPN&DM)- Maintaining that our pharmacists have earned the faith of fellow countrymen through honest and dedicated service, noted writer and humorist Prof. M. Krishnegowda said that it is, however regrettable to note that the Governments have been ignoring pharmacists in conferment of awards and prizes.

He was speaking at the conferment of the first 'Rotary Pharmacist and Chemist' award at the M. Niranjanmurthy Memorial and World Pharmacist Day programme organised by Rotary Mysore North at Ideal Jawa Rotary Hall on JLB Road here on Monday.

Contending that Pharma lobby in America is so strong that it can control Governments there, Prof. Krishnegowda said that the situation in our country is quite different with Pharma sector reaching out to the people by remaining in the service sector. Noting that many people get over the counter medicines for common ailments such as fever, cold, cough etc., from Pharmacies even without having a doctor's prescription, he said that this shows the trust that people have reposed on our pharmacists.

Bemoaning that no association or organisation comes forward for conferment of awards to pharmacists, Prof. Krishnegowda said that it is laudable that Rotary has chosen the Pharma sector for awards. Recalling the services rendered by pharmacist late M. Niranjanmurthy, he complimented the service initiatives taken up by pharmacists following the outbreak of the deadly COVID-19 pandemic last year.

A.B. Mahesh of Vishwanath Medicals, P.K. Rajendraprasad of Vasavi Medicals, Swapna Vishu of Swapna Medicals, Mirza Ateeq-ur-Rahman of New Pharma Chemists and Druggists and K.M. Rajesh of Eshwar Medicals were conferred Rotary Pharmacist and Chemist award-2021 on the occasion.

Assistant Drugs Controller S. Nagaraj, Rotary Mysore office-bearers A.P. Virupaksha, L. Channabasavaraju, Chandrashekar, Rajashekara-murthy, Ramprasad, M.K. Nanjaiah, M. Raju, Anand, Shivakumar, former Corporator K.V. Mallesh, Mysuru City and District Retail Pharmacists Association General Secretary C.K. Arun, Devaraj, noted theatre personality Rajashekar Kadamba, Umesh, Mansoor Ahmed Khan and others were present.

MRC Chairman

L. Vivekananda resigns

Y.B. Ganesh unanimously elected as new Chairman

Mysuru, Oct. 8 - Following the resignation of L. Vivekananda as the Chairman of Mysore Race Club (MRC) Limited, the Managing Committee of MRC at its meeting held yesterday (Oct. 7) has unanimously elected Senior Steward Y.B. Ganesh as the new Chairman.

L. Vivekananda

Y.B. Ganesh

He will hold the position till the next Annual General Body Meeting of the Club, according to a press release from N.H.S. Mani, Secretary and CEO of Mysore Race Club Limited.

ITI admission for new courses

Mysuru, Oct.8- The Government ITI at Beerihundi in the taluk has invited applications from eligible students for admission to newly started courses — Industrial Robotics and Digital Manufacturing (one year duration); Battery Electric Vehicle Maintenance (two years duration) — under an SCVT (State Council for Vocational Training) Scheme.

Candidates who have passed SSLC and aged above 14 years are eligible to apply.

The application forms can be obtained from the ITI College upon payment of Rs. 20 and the same, completed in all respects, must be submitted before Oct.21.

For more details, call Ph: 0821-2955908 or Mob: 94801-90608, according to a press release.

'Affordable Healthcare to All'

President Kovind dedicates 450-bed hospital at Chamarajanagar

President Ram Nath Kovind seen lighting the lamp during the inauguration of the new 450-bed hospital in the premises of Chamarajanagar Institute of Medical Sciences (CIMS) near Yedabetta last evening. Others seen are (from left) Chamarajanagar District Minister S.T. Somashekar, Chief Minister Basavaraj Bommai, First Lady Savita Kovind, Karnataka Governor Thaawarchand Gehlot and Health & Medical Education Minister Dr. K. Sudhakar.

Chamarajanagar, Oct. 8 (SS& BCT)- President Ram Nath Kovind yesterday dedicated a new 450-bed hospital in the premises of Chamarajanagar Institute of Medical Sciences (CIMS) near Yedabetta that offers state-of-the-art facilities to a region that is considered as one of the most backward in Karnataka.

With the new Hospital, people of the region need not depend on Mysuru as critical care infrastructure and super-speciality departments like cardiology and neurology among others are available for them in the nearest route. The President inaugurated the facility in the presence of Chief Minister Basavaraj Bommai.

In his address, the President focussed on education and healthcare that should be available to all. He stressed the need of making healthcare affordable and available to all. "Areas around the Hospital are densely forested with a large share of the population belonging to Scheduled Castes and Scheduled Tribes. This institute caters to the needs of people from Karnataka, Tamil Nadu and Kerala and is now ready to offer high-quality medical care to all people in this region," he said.

Interestingly, the President began his speech in Kannada and said that he liked to visit Karnataka and spend time with the citizens. "I am inaugurating this hospital on the day of Navarathri," he said and remembered the contribution of Chamaraja Wadiyar who established a girl's school way back in 1881, realising the importance of education.

"I am happy to inaugurate the hospital which is a centre of excellence. We need to take healthcare services to the remotest corners of our country. This will be in tune with the true aim of the expansion of medical services in the country. We can hope to build an Atma Nirbhar Bharat only when our technology, human resources and the access to both come together," he said

The President called upon medical students and healthcare providers to work with the spirit of service and compassion. "Doctors, nurses and paramedics must serve the nation with a high degree of commitment and dedication and would bring glory to the profession and to the alma mater," he added.

The Centre has increased the number of All Indian Institute of Medical Sciences from six to 22, and is also opening new medical colleges in every district to improve health infrastructure in the entire country and become centres of excellence.

He lauded CIMS for ranking third in successful implementation of the Ayushman Bharat-Arogya Karnataka scheme in 2020-21.

On vaccination, the First Citizen said that the cumulative vaccination coverage will soon cross one billion-mark and it could not have been achieved without the exemplary commitment of the country's healthcare professionals. "In a single day, the country managed to vaccinate close to 25 million people, and the cumulative coverage will soon cross the 1 billion mark," he said.

"Some sacrificed even their lives in the line of duty. Our nation will forever be indebted to them. Our Corona Warriors —doctors, nurses, paramedics, and others — have made our country proud with their relentless fervour," he said. First Lady Savita Kovind, Karnataka Governor Thaawarchand Gehlot, Health and Medical Education Minister Dr. K. Sudhakar and Minister-in-charge of Mysuru and Chamarajanagar districts S.T. Somashekar, CIMS Dean Dr. G.M. Sanjeev were present.

I will visit Ch'nagar again: Bommai

Chamarajanagar, Oct. 8 (SS& BCT)- Visiting Chamarajanagar for the first time after becoming the CM — in a way to break the jinx that whichever CM visiting Chamarajanagar loses power — Basavaraj Bommai promised the residents of Chamarajanagar that he would visit Chamarajanagar again.

"As a CM, it is my duty to visit all district headquarters. If I had not come here, it would have been a lapse in governance as Chamarajanagar is an integral part of Karnataka. I will come again and hold a progress review meeting. At least I will not allow lapses in governance and administration," Bommai assured.

Air travel picks up

(Continued from page 1)

There is a demand for new flights to Shirdi, Tirupati and Mumbai from devotees who are heading to Shirdi Sai Baba Temple and Venkateshwara Temple at Tirupati. Also, there is a demand from the business community for Mumbai flights and talks are on with airline companies.

Foreign tourists from Oct. 15

Meanwhile, reports from New Delhi this morning said that India will begin issuing tourist visas to foreigners coming on chartered flights starting Oct. 15 as announced by the Union home ministry. Additionally, foreign tourists will be allowed to come in on non-charters — meaning flights under bubble arrangements of flights — from Nov. 15 unless scheduled restrictions on scheduled flights are substantially lifted. As of now, scheduled international flights are suspended till the end of this month.

India had suspended foreign tourist visas last March along with suspending scheduled domestic and international flights. Scheduled domestic flights have resumed in a gradual manner since last May. Air bubbles have so far been formed with about 30 countries for air connectivity and certain categories of foreigners — except those on tourist visas — were increasingly allowed to come to India on them.

The Government's move to resume tourist visas will be a boost for stakeholders of the struggling travel industry — airlines, hotels, tour operators and those linked directly and indirectly with it.

Calling Savita

Samaja students

Mysuru, Oct.8- Backward Classes Welfare Department has invited applications from Savita Samaja students for four-year training in 'Dolu' and 'Naadaswara' traditional music instruments.

Students in the age group of 10 to 15 years are eligible. However, upper age limit will be relaxed by three years (upto 18 years) in case there is a shortfall in the number of students from the specified age group. Admission is open for 5 seats in Naadaswara and 8 in Dolu. Applications can be had from the Department Office in Mysuru and filled in forms must be submitted before Oct.16. Selected students will be trained for free with free boarding and lodging facilities at Devanahalli in Benglauru in collaboration with Music University. Log on to *https://bcwd.karnataka.gov.in*

UPSC Civil Services Preliminary exam on Oct.10

Mysuru, Oct.8- With the Civil Services Preliminary Exam-2021 conducted by the Union Public Service Commission (UPSC) scheduled to take place on Oct.10 at 16 centres across the city, the City Police Commissioner has imposed prohibitory orders in 200 mt.radius around all the exam centres from 6 am to 6 pm on that day (Oct.10).

Accordingly, barring the candidates and exam duty personnel, no other person will be allowed to move around or carry objectionable articles in the vicinity of the centres on the date of exam. Also, all photocopy shops in the vicinity of the 16 centres have been ordered to shut down for the day.

Prohibitory orders around exam centres

Vidwan A.V. Anand conferred 'State Sangeetha Vidwan' Award

Renowned mridanga artiste Vidwan A.V. Anand, who was conferred the 'State Sangeetha Vidwan' Award and felicitated along with his wife at the Mysore Palace last evening by Karnataka Assembly Speaker Vishweshwar Hegde Kageri, Legislative Council Chairman Basavaraj Horatti and Kannada & Culture Minister V. Sunil Kumar, seen with Mayor Sunanda Palanetra, MLAs G.T. Devegowda and S.A. Ramadas, District Minister S.T. Somashekar, MLA L. Nagendra, MUDA Chairman H.V. Rajeev, D. Devaraj Urs Backward Classes Development Corporation Chairman R. Kautilya Raghu and Corporator B.V. Manjunath.

Mysuru, Oct.8 (DM&SBD)- Renowned mridanga artiste Vidwan A.V. Anand was conferred 'State Sangeetha Vidwan' Award, given by the State Government, at the inauguration of Dasara cultural events in Palace premises here last evening.

Speaking after receiving the award, he said that though he lived in Bengaluru, Mysuru was his favourite city and has great respect for Mysuru, which is considered as a cultural capital.

Pointing out that he is a native of Hassan, Vidwan Anand recalled that Jayachamaraja Wadiyar was very much impressed by his performance at a musical concert. Noting that JC Wadiyar had great interest in music, he said that the erstwhile Mysore ruler himself was a musician and a scholar.

Stating that he got an opportunity to be part of a concert of music icon Piteelu Chowdaiah at a young age of just 11 years, Vidwan Anand recalled that he was virtuous to be part of Chowdaiah's troupe for years.

Maintaining that he has given many musical concerts in Mysuru between 1975-1995, he credits the award to the blessings of Goddess Chamundeshwari.

Dedicating the award to his Gurus and parents, Vidwan Anand said he was grateful to the Government and all others for conferring the award on him.

Vid. Anand and his wife were honoured on the occasion. Incidentally, Thursday was also the 51st wedding anniversary of the couple.

Cultural programmes

Earlier, Karnataka Assembly Speaker Vishweshwar Hegde Kageri, Kannada and Culture Minister V. Sunil Kumar and Legislative Council Chairman Basavaraj Horatti jointly inaugurated the Dasara cultural programmes in the Palace premises in the absence of Chief Minister Basavaraj Bommai.

Speaking on the occasion, Kageri said that Mysuru is a model to the entire country not only for its cultural richness, but also in respect of several other fronts.

Recalling the contribution of erstwhile Mysuru ruler Nalwadi Krishnaraja Wadiyar for the growth of the State, he said that the democratic set up during Nalwadi's tenure is still considered as a model administration.

Pointing out that it is happy to note that the Government has made efforts to create a 'cultural wave' of sorts during Dasara, Kageri underlined that the participation of the people too is crucial for ensuring that this 'wave' flourishes in the future too. Noting that though we may get jobs through education, it is this sort of programme that gives us cultural knowledge, he added.

Council Chairman Basavaraj Horatti, in his address, said that the other name for culture is Mysuru and he was blessed to be part of this Dasara event.

Pointing out that the Legislative Council in Karnataka has completed 114 years of existence, Horatti said that he has written a letter to Prime Minister Modi urging him to name an auditorium at the new Parliament building being built in New Delhi as 'Anubhava Mantapa' as an honour to 12th century social reformers Basavanna, Allamaprabhu and Akkamahadevi.

Minister V. Sunil Kumar, who also spoke, said it was his good fortune that he got an opportunity to inaugurate Dasara illumination as Energy Minister and to inaugurate the Dasara cultural programmes as Kannada and Culture Minister.

As part of 'Azadi Ka Amrit Mahotsav' marking the 75th anniversary of the country's independence, the Kannada and Culture Department has planned to organise a variety of cultural programmes across the State in January next, he added.

K.R. MLA S.A. Ramdas, who presided, said that Dasara cultural programme is an emotional one for the entire population of the State. Thanking the Kannada and Culture Minister for conferring 'State Sangeetha Vidwan' award on Anand, he said he was happy to note that the Vidwan was conferred the award on the same day of the awardee's 51st wedding anniversary.

Deputy Mayor Anwar Baig, Chairmen of various Boards and Corporations — N.R. Krishnappa Gowda, N.V. Phanish and M. Appanna — Deputy Commissioner Dr. Bagadi Gautham, ZP CEO A.M. Yogesh, Kannada and Culture Director Rangappa, Assistant Director H. Channappa, Palace Board Deputy Director T.S. Subramanya and a host of other officials were present.

Prabhat Kalavidaru of Bengaluru presenting a dance feature 'Karunada Vaibhava' at Mysore Palace premises last evening.

Minister inaugurates Oxygen Generator Plant at K.R. Hospital

Mysuru, Oct.8 (PM&KS)- The 1,000 litre capacity PM CARES funded Pressure Swing Adsorption (PSA) Oxygen Plant, installed at K.R. Hospital premises in city, was inaugurated by Health Minister Dr. K. Sudhakar yesterday.

Speaking on the occasion, Dr. Sudhakar said that a total of 36 PM CARES funded PSA Oxygen Plants, which have been installed across the country, were inaugurated by PM Modi by launching an Oxygen Plant at AIIMS in Rishikesh this noon.

Giving statistics on the percentage of COVID vaccination in Mysuru district, the Health Minister said that a total of 84.63 percent of people have taken the first dose of COVID vaccine, 39.47 percent people second dose and 66.06 percent of people have taken both first and second doses in the district. The Minister lauded the District Administration and the Health Department for their efforts taken to vaccinate the people of the district.

Pointing out that the State Government was ready to face the COVID-19 third wave, Dr. Sudhakar said that before the pandemic struck, there were 4,500 oxygen beds in the State which has gone up to 30,000 now and similarly, 580 ventilator beds have been increased to about 5,000.

He further said that there were plans to install 256 PSA Oxygen Plants at District Hospital, all Taluk Hospitals and Community Health Centres out of which 60 percent has been installed and already in service.

The PSA Oxygen Plant, including compressor, dryer and accessories at K.R. Hospital costs Rs. 80 lakh and has been manufactured by TATA Advance Systems Limited, who has also installed and commissioned the PSA Plant.

The construction of the Oxygen Plant room has been undertaken at a cost of Rs. 17 lakh for which National Highway Authority of India (NHAI) is the implementing agency and constructed by Dishara Controls, Mysuru.

The upgradation of Transformer, Diesel Generator, Gas pipeline and Crossing Bridge has been executed by the Engineering Division of the Health and Family Welfare Department, Mysuru, at a cost of Rs. 83.60 lakh for which Dishara Controls was given the contract.

MLA L. Nagendra, Mysore Medical College and Research Institute (MMC&RI) Dean and Director Dr. C.P. Nanjaraj, District Health Officer (DHO) Dr. K.H. Prasad, MMC&RI Principal Dr. Dakshayini, Administrative Officer Veena and others were present.

Mysore Medical College and Research Institute (MMC&RI) Administrative Officer Veena seen explaining about the functioning of the Oxygen Plant at K.R. Hospital to Health Minister Dr. Sudhakar yesterday as MMC&RI Dean and Director Dr. C.P. Nanjaraj, DHO Dr. K.H. Prasad and others look on.

Newly wed commits suicide

Mysuru, Oct. 8 (MK&KS)- A woman, who was married about 4 to 5 months ago, has committed suicide at Kyathamaranahalli yesterday evening.

The deceased woman had married Vinay of Kyathamaranahalli, with whom she was in love about five months ago despite opposition from her parents.

Police said that Vinay used to torture her daily and depressed over this she is said to have taken the extreme step.

Meanwhile, the deceased woman's parents in their complaint with Udayagiri Police have stated that Vinay used to come home drunk daily and torture their daughter.

They have also alleged that Vinay had murdered their daughter and has gone absconding.

Udayagiri Police, who have registered a case, are investigating.

Man killed in acid attack

Malavalli, Oct. 8 (Mohanraj& Shivashankar)- A 40 year-old auto driver was killed after being stabbed and acid poured on him at Malavalli yesterday early morning.

The deceased is Srinivas, and Police have suspected that an old enmity may have led to the murder.

Yesterday early morning, when Srinivas was proceeding near Sunnadakeri in the town on his two-wheeler, miscreants who waylaid his bike, threw chilli powder on him, stabbed him on his stomach with a knife and poured acid on him killing him brutally, it is learnt.

Police said that they have collected information and clues and expressed confidence that the accused would be nabbed soon.

Dy.SP H. Lakshminarayan Prasad, Circle Inspector A.K. Rajesh and staff visited the spot and a case has been registered at Pura Police Station in the town.

MP launches Oxygen Generator Plant at Railway Hospital

Mysuru-Kodagu MP Pratap Simha inaugurated the newly installed Pressure Swing Adsorption 500 LPM (Litre per minute) Oxygen Generator Plant at the Divisional Railway Hospital, Yadavagiri, Mysuru, in the presence of Rahul Agarwal, Divisional Railway Manager (DRM), South Western Railway (SWR), Mysuru Division and other Senior officials of the Railways. The plant is built at a cost of Rs. 80 lakh.

Speaking on the occasion, the MP lauded the efforts of Indian Railways in the fight against the COVID pandemic. He thanked Prime Minister Modi for his personal involvement in providing the Medical Oxygen Plants at more than 1,200 locations across the country.

He also expressed happiness at the way SWR Mysuru Division was progressing under the leadership of DRM Rahul Agarwal.

In his address, Agarwal stated that history would surely remember the contributions of Indian Railways in the fight against COVID-19 pandemic. On the one hand, Indian Railways kept the national supply chains intact, while on the other, they ensured that all other core business interests were pursued earnestly, he added. Throughout the testing times of COVID-19 pandemic, Indian Railways demonstrated a high degree of moral strength and the ability to rise to the occasion, said the DRM.

Agarwal also said that the Oxygen Express Trains operated by the Indian Railways extraordinarily served the nation and were a game-changer in the fight against COVID-19 when India grappled with the devastating second wave in April-May this year. No other transporter could have ever matched the speed of response together with the high quality of service to the critically emergent circumstances at that time, he observed.

Different States received Liquid Medical Oxygen of over 20,000 tonnes in this period. In addition, Indian Railways' freight business played a pivotal role in connecting the demand-supply centres for different medical equipment, personal protective equipment (PPE) kits and even ventilators to supplement the efforts of the health care delivery system in India, noted the DRM.

He informed that a massive capacity enhancement was planned in 86 Railway Hospitals across India including the Railway Hospital in Mysuru. The new facility ensures that all Railway COVID Management Hospitals have the service of a dedicated Oxygen Plant for treating patients in extreme emergencies, the DRM added.

The Railway Hospital in Mysuru is a 101-bedded hospital with 74 beds earmarked for COVID patients. Jumbo oxygen cylinders and oxygen concentrators were in use before to meet the oxygen requirement at the hospital. With the installation of the 500 LPM Oxygen Generator Plant, all the 101 beds in the hospital have turned into oxygenated beds. This plant can generate 'On Demand Oxygen' by taking atmospheric air and produce 500 litres of oxygen per minute. Not only is the process efficient and easy to operate/maintain, but also environment friendly, said Agarwal.

The Railway Hospital, Mysuru, has seen a phenomenal improvement in recent times and the installation of the new plant will augment the medical-grade oxygen requirement of the hospital.

A. Devasahayam, Additional Divisional Railway Manager, G.S. Ramachandra, Chief Medical Superintendent, SW Railway Hospital and other senior officials were present on the occasion.

Dasara Rangotsava at Rangayana

Rameshwari Verma demands job opportunities for artistes

Rajyotsava awardee Rameshwari Verma flanked by Mysuru Rangayana Director Addanda C. Cariappa and Shivamogga Rangayana Director Sandesh Javali inaugurating Dasara Rangotsava in city yesterday.

Mysuru, Oct. 8 (MK&DM)- Acclaimed theatre personality and Rajyotsava awardee Rameshwari Verma has urged the Government to ensure job opportunities for theatre artistes.

She was speaking after inaugurating 8-day Dasara Rangotsava organised by Rangayana at B.V. Karanth Ranga Chavadi in Rangayana premises yesterday.

Pointing out that thousands of artistes have emerged from State repertories such as Neenasam, Sanehalli, Rangayana and National School of Drama over the years, Rajeshwari Verma said that many artistes are facing a lot of hardships due to want of job.

Stressing on the need for the Government to set up Resource Centres at all Districts for coming to the help of artistes, she observed that the theatre, apart from displaying total commitment to art, also teaches one to have social concerns.

Noting that mental capability of children will improve a lot by engaging them in theatrical and other art activities, she wanted the Government to appoint Arts and Drama teachers in Schools.

Mysuru Rangayana Director Addanda C. Cariappa said that the Government used to give Rs.10 lakh as grant during Dasara for organising the theatre festival at Rangayana. But due to the COVID pandemic, the theatre festival could not be organised last year. However, this year, the festival has been organised even though the Government grant is yet to be released, he said and expressed the hope that the 8-day event will be a grand success.

Rameshwari Verma was honoured with 'Dasara Ranga Gourava' award on the occasion.

On the first day yesterday, artistes from Shivamogga Rangayana enacted 'Hathyakanda' (Vidhurashwatha Veeragathe focussing on the 1938 freedom movement) play, with Krishnamurthy Kavattar as the Director.

The fest, which features five plays to be enacted by Shivamogga and Mysuru Rangayana artistes, will conclude on Oct.14.

Shivamogga Rangayana Director Sandesh Javali and others were present.

'Nudi Namana' to Prof. Lakkappagowda

Lakkappagowda

Mysuru, Oct. 8 (PM&DM)- Former CM Siddharamaiah will inaugurate 'Nudi Namana' to Prof. H.J. Lakkappagowda organised under the joint aegis of Kannada Janapada Parishat and Prof. H.J. Lakkappagowda Sahityabhimani Balaga in memory of the late Folk Scholar, at Veene Seshanna Bhavan in Kuvempunagar at 10.30 am tomorrow.

Senior writer Dr. H.S. Ramachandregowda will deliver the keynote address. Former Minister Dr. H.C. Mahadevappa, former KIKS Faculty Dr. Neelagiri M.Talwar, Hunsur MLA H.P. Manjunath, noted Cardiologist Dr. B. Dinesh and others will take part in the programme.

Adichunchanagiri Seer to inaugurate Srirangapatna Dasara tomorrow

Mandya, Oct. 8 (Mohanraj & KS)- Srirangapatna Dasara is all set to commence from tomorrow (Oct. 9) with puja to *Nandi Dhwaja* at 2.15 pm, *agra puja* to Goddess Chamundeshwari in the auspicious *Kumbha Lagna* at 3 pm and *Jumboo Savari* at Bannimantap in Kirangur.

Adichunchanagiri Seer Dr. Nirmalanandanatha Swamiji will inaugurate this year's Dasara in the presence of Mandya District Minister K.C. Narayanagowda. Higher Education Minister Dr. C.N. Ashwathnarayan and Co-operation Minister S.T. Somashekar will be chief guests. MLA Ravindra Srikantaiah will preside.

The Seer was invited officially by Minister Narayanagowda at Adichunchanagiri Mutt, by presenting the Seer with a *Mysuru Peta*, shawl, fruits and a wooden sculpture of an elephant.

Cultural programmes will be held at Sriranga Stage in Sri Ranganathaswamy Temple premises tomorrow from 6 pm.

The valedictory of the cultural programmes will be held at 6 pm on Oct. 11, which will be inaugurated by Revenue Minister R. Ashoka. Tourism Minister Anand Singh and Kannada and Culture Minister V. Sunil Kumar will be the chief guests. MP Sumalatha Ambarish, Legislators M. Srinivas, D.C. Thammanna, K. Suresh Gowda, K. Annadani, C.S. Puttaraju, N. Appajigowda, Marithibbegowda and K.T. Srikantegowda, will be present as chief guests at all functions.

S'patna draws huge crowd on *Mahalaya Amavasya* Day

Srirangapatna, Oct. 8 (Vinay Karekura)- The Fort town of Srirangapatna in Mandya District, where Cauvery river, the lifeline of people of Southern parts of the State flows with full force, drew huge crowds from different parts of the State on *Mahalaya Amavasya Day* on Oct. 6. The town witnessed an unusual rush of people, who arrived for offering 'Pinda' to the river and pray for the salvation of the souls of their departed near and dear ones.

Spots such as Sopanakatte, Gosaighat, Paschima Vahini, Cauvery Sangama and other places along the banks of Cauvery river, witnessed a large number of people from Hindu faith offering 'Pinda' and 'Asthi Visarjane' to the holy river as part of *Mahalaya Amavasya.*

This rituals in the town will go on till *Ayudha Puja Day* with Hindus from all over the State descending on the town to pray for the salvation of the souls of their dead near and dear ones.

Srirangapatna is famous for 'Asthi Visarjane' and lakhs of people will visit the town every year for the customary rituals. However, the taluk administration had banned offering of 'Pinda' and 'Asthi Visarjane' as part of *Mahalaya Amavasya* for the past two years due to COVID pandemic. But with the pandemic easing with each passing day, the administration had relaxed regulations this year, which enabled people to visit the town to perform their customary rituals for their ancestors.

Meanwhile, Srirangapatna, which is also famous for its temples and had remained almost silent due to the pandemic, has suddenly come alive and kicking, with the number of devotees and tourists visiting the town increasing at a fast pace with each passing day, especially with Srirangapatna Dasara round the corner.

On Wednesday, the famed Ranganathaswamy temple, located on the banks of River Cauvery, saw a huge number of devotees thronging the temple for offering prayers to the deity. The temple was witness to long and serpentine queues, in sharp contrast with earlier days when hardly a few devotees visited the temple, scared of the pandemic.
